Dear Community Partner,

The Lake Park Swim Team (aka – The Piranhas) was established in 2010. This non-profit swim program provides an opportunity for our children in Lake Park, Indian Trail and the surrounding neighborhoods to learn the importance of teamwork and the sport of swimming. Our team is made up of 90+ swimmers ranging from 6 years – 18 years. This is a unique sport in that a family with children of all ages can be on the same team working for the same goal. We have daily practices as well as multiple weekly meets as scheduled by The Greater Charlotte Swim League.

We want to provide the best opportunity for our youth to develop discipline, courage, teamwork, and friendships. We love to win, but more importantly, we encourage our swimmers to do their best, work hard and achieve their goals. We proudly were **awarded the 2023 sportsmanship award** (voted by the other teams in our division)

As with any sport, financial support from the community plays an important role in our success. Last year with the help of our sponsors we purchased all new lane lines, team pop up tents, benches and gave the swimmers a summer to remember! This year we hope to grow our team which means growing expenses. Your sponsorship helps pay for league fees, coaches, lifeguards, office supplies, deck equipment, team gear and trophies. We do a lot of fundraising but cannot thrive without your support!

For Our Sponsors: To help our sponsors take full advantage of their generous contributions, our organization has recently obtained a 501(c) 3 charter, allowing you to take full benefit of your support. Upon your request, tax ID information will be gladly provided.

Thank you so much for your time and again, we truly appreciate your help
Sincerely, Lake Park Swim Team Booster Club
